Note:

The top riders of each FEI Classics event collect points as follows:

1st	15 points	5th	6 points	9th	2 points
2nd	12 points	6th	5 points	10th	1 point
3rd	10 points	7th	4 points		
4th	8 points	8th	3 points		

Points are awarded to top 25% of starters in the competition (*as per prize-money principles and regular Eventing ranking rules*).

1. Riders will earn points with their best single performance at each event (rider must have achieved a Minimum eligibility result at the event)
2. In case of equality of points, points accumulated over fewer events will determine a better placing than points gained over more events
3. If there is still equality of placing from points awarded at a single event, the best placed rider is the competitor whose placing is achieved in the event with most starters
4. If there is still equality of placing in the case of riders awarded points in several events, the rider whose points have been accumulated from the events with the highest collective number of starters will be the best placed rider.

If there is still a tie, the best placed rider is the competitor with the lowest total of penalty points at the specific event (= differentiating score) – if a rider is awarded points in several events, the best score will count as differential (*)
